A person who's name Hassan, he was intelligent and strong. He want to alone forever because he has no faithful and trustable friends. On Wednesday, on 12:00 PM he want to go on journey with his loneliness and got lateness from every one. He stay out of home whole night, when he return to home, his father near Akbar to tell to him that why you stay out of home? why you don't work for your family even for your own, everything is impossible for you, you can't do anything.
